INITIAL GRADE:	Simple and uncomplicated pieces, with accessible performance detail, short enough to allow candidates to sustain concentration.
GRADES 1-3	Pieces in a recognisable style and/or genre, with varied performance detail, long enough to allow candidates to establish a sense of performance.
GRADES 4&5:	Pieces of sufficient length to allow candidates to demonstrate their understanding of the composer's intentions and to demonstrate their own interpretative skills, with more challenging technique, and performance detail that offers a choice of approach.
GRADES 6&7:	Pieces of significant length, allowing candidates to demonstrate sophistication of musical thought, with demanding technical skills, and performance detail requiring understanding and interpretation.
GRADE 8+	Pieces of substantial length, requiring stamina, that allow candidates to demonstrate depth and sophistication of musical thought, understanding and interpretation, that also present advanced technical challenges.
