N.B. In order to cover expenses, teachers/representatives operating private centres (those not organised directly by ICMA) may wish to add a percentage to the fee, particularly for external candidates, to cover expenses. We recommend a maximum of 10%. However, as this list of fees is publically accessible, we recommended strongly that parents/candidates are informed of this arrangement. Applicants/teachers/candidates using a venue arranged by others are advised to check fees with the centre concerned.

In substantiated cases of individual genuine hardship, ICMA may consider assistance with the examination fee.
